SAINT JOHN PAUL II

Saint John Paul II traveled to 129 countries during his time as pope. On these trips and through his writings, he asked people to show their love for Jesus Christ by praying and taking care of the poor. He spoke many different languages, and respected the different ways that people live around the world. Wherever he went, crowds of people welcomed his message of forgiveness and peace.

We can follow the example of Saint John Paul II by sharing the Good News of Jesus Christ with others. Make a card to send to a child in another country. Write or draw a way that you and your family show your love for Jesus.
